PAC Member, Mark Tepper, moves 1to1 Card to larger offices to facilitate growth

Chicago, IL. - 1to1 Card, a premier provider of prepaid card programs to some of the most recognizable brands in the world, has moved its offices from Woodridge to Lisle.

According to Mark Tepper, President of 1to1 Card, "We've been heartened by the strong growth we've enjoyed over the past couple of years, and we believe our growth will continue. Not only have we taken about 50% more square footage, but our new space allows us to be much more efficient, thereby increasing our capacity to grow dramatically."

Nick Arvis, Founder of Presidents Advisory Committee (PAC) says this: "The financial services industry has been very dynamic over the past few years, to say the least. That Mark has figured out how to grow in this environment is a testimony to his abilities as a marketer and an operator. I'm confident that Mark will enjoy much success in his new location."

About 1to1 Card

1to1 Card (www.1to1card.com) develops prepaid card programs for incentive and promotional campaigns. These programs include production, distribution, IT, and customer support. To learn more, contact Mark Tepper at mtepper@1to1card.com or 630-754-4804 x104.

About Presidents Advisory Committee (PAC)
