**PAC Member Firm, Geckotech, Makes *Inc. Magazine's* 2009  
List of 5000 Fastest Growing Private Companies**

Chicago, IL - Geckotech, a Hosted VoIP phone and internet service provider, achieved a 244% growth rate over the past three years and recently earned a spot on Inc. magazine's Top 5000 List. This exclusive list ranks the fastest growing, privately held companies in the country. With a ranking of 1295 out of 5000, and placing 39<sup>th</sup> among 57 telecommunications firms, Geckotech's growth rate greatly exceeds the median three year rate of 126%.

Josh Robbins, Managing Partner at Geckotech, and a three year member of Presidents Advisory Committee, says they are honored to be recognized by the magazine and credits their innovative business strategy for the company's success. "Hard work and dedicated employees have enabled us to continue to meet the telecommunication needs of businesses around the country on a timely, reliable basis" says Robbins.

**About Geckotech,LLC**

Since 2003, Geckotech has been providing small to medium sized businesses with VoIP phone and data solutions. Unlike other telecommunication companies, Geckotech coordinates and is accountable for, all installation, maintenance and management of the VoIP service. Using CISCO VoIP technology, the company provides reliable, ease-of-management solutions for many organizational needs including geographic expansion, cost reduction and data security systems. For more information about their services, go to [www.Geckotechllc.com](http://www.Geckotechllc.com).

**About Presidents Advisory Committee, LLC**

Presidents Advisory Committee, (PAC), provides a safe and trusting place for CEOs, business owners and company presidents to meet on a monthly basis to exchange ideas and strategies with their peers.
